### **CAMPUS TRANSPORTATION INCREASES PARK-N-RIDE SERVICE**

#### **MISSOULA –**

The University of Montana's Park-N-Ride service will offer improved transportation to and from campus beginning with the start of fall classes on Monday, Aug. 31.

Operated by the Associated Students of UM, the service offers three bus routes with service between campus and four Park-N-Ride lots, as well as stops along the way. ASUM Transportation also provides nighttime service on UDASH between campus and downtown.

Bus service from the College of Technology to the main campus will double this year, offering rides every 15 minutes. Park-N-Ride buses operate on weekdays during fall and spring semester.

Bus service is offered to and from these Park-N-Ride locations:

- **South Park-N-Ride** -- Lewis and Clark Transfer Center at South Higgins Avenue and Benton Avenue. Buses run every five to 10 minutes.
- **Dornblaser Park-N-Ride** -- South Higgins Avenue and South Avenue. Buses run every five to 10 minutes.
- **College of Technology Park-N-Ride** -- South Avenue at Sentinel High School. Buses run every 15 minutes.

- **East Broadway Park-N-Ride** -- 1122 East Broadway St. near the wind turbine.

Buses run every 20 minutes.

UDASH provides late-night service between campus and downtown Monday through Saturday.

The ASUM bus service provided 343,593 rides last year. It is funded by a student fee and is free and open to the public.
